About the Nurse Mentoring Institute

Nurse mentoring is currently receiving a great deal of attention as a strategy for developing and retaining valued nursing staff. We believe that nurses are uniquely deserving of the best this type of support can offer! The Nurse Mentoring Institute is committed to furthering state-of-the-art, evidence-based mentoring practice for individuals and organizations.

MISSION

• To prepare, support, and develop nurses and nursing organizations in practice, education and management roles through the art, science, and wonder of mentoring

PURPOSE

• Provide up to date information on mentoring in nursing
• Act as a national forum and voice for nurses in mentoring roles
• Maintain a networking arena and encourage collegial support for nurses in mentoring

Strategies to Combat Bullying and Promote Mentoring

Louise D. Jakubik, PhD, RN-BC, CSP
President and Chief Mentoring Officer,
Nurse Mentoring Institute

Renee Thompson, DNP, RN, CMSRN
CEO and President of RT Connections

Dr. Louise Jakubik is a nursing career and workforce development expert, who is passionate about mentoring in nursing. She is a master mentor and mentoring researcher. Her research agenda explores mentoring practices and benefits for nurses and their workplaces. She is the author of two nursing research instruments, the Mentoring Practices Inventory and the Mentoring Benefits Inventory. She is dedicated to mentoring nurses and helping organizations to build mentoring cultures in nursing through the use of her evidence-based mentoring model.

Renee Thompson is a true champion for nurses. After more than 23 years as a nurse, nurse educator and nurse executive, Renee has become one of our country’s leading authorities on nurse bullying, clinical and professional competence, and nursing culture. She is the author of the book, “Do No Harm” Applies to Nurses Too! and helps healthcare and academic organizations eliminate disruptive behaviors in the workplace.
Dear Nurse Leaders:

This seminar is designed for nurse leaders in management, education, and clinical practice who seek the tools needed to combat bullying and build mentoring culture in nursing. If you are struggling with managing disruptive behaviors and wish to create a mentoring culture in your work environment, then this workshop is for you!

We will discuss the continuum of interpersonal investment and how to eliminate disruptive behavior while promoting a mentoring culture of developing one another in the workplace. We will present key strategies to eliminate the disruptive behaviors of employees so you can focus on providing high quality, safe, and effective patient care. We will explore evidence-based mentoring practices that will assist you in building mentoring culture that benefits individual nurses and your organization.

The Golden Nugget Hotel and Casino located on the gorgeous Atlantic City marina waterfront will be our conference site. Enjoy a personal getaway to Atlantic City, NJ while discovering the Atlantic City marina waterfront, and a spectacular view of the marina against the Atlantic Ocean. We will provide spa services, gaming, a variety of restaurants, and a Five Star Diamond Award.

We are looking forward to seeing you there!
